## TRANSFER CREDIT REQUEST FORM

Students may use this form to obtain departmental and faculty advisor's pre-approval for the transfer of college-level credits taken at a college or university other than Washington College. In general, WC only accepts transfer credits taken at a regionally accredited institution. Coursework must have been completed on a letter grade basis and will have earned a grade of at least "C-" to be eligible for transfer. Courses taken on a Pass/Fail basis or those that are older than seven years may be ineligible. The acceptance of transfer credit equivalency for online or hybrid courses is at the discretion of the department chair.

### Instructions:

1. Review the course description and/or syllabus of the outside course(s) with your faculty advisor. If the outside institution requests a "letter of good standing" or proof that this coursework will transfer back to WC, complete and submit the Enrollment Verification Request Form to the Registrar's Office.
2. Complete the top half of this form, including the Washington College subject and catalog number to which the outside course will be equivalent. Leave the course number blank if unknown; the department chair can also fill this in.
3. After obtaining your faculty advisor's signature in the appropriate space, bring this form to the relevant department chair(s) for additional required signatures.
4. After completing the outside course, request that an official transcript of your studies be sent directly to the Registrar's Office at the address above. Upon receipt of this transcript, you and your faculty advisor will be notified of the successful transfer of these credits via email. Courses not pre-approved may be ineligible for transfer.
